the current official year. The Vice-President of the Mandya Municipality recommends that the establishment may be sanctioned for a further period of three years. In his opinion extension of the period year by year will not afford sufficient inducement to the establishment to turn out good work. Bearing in regard, however, to the unsatisfactory results achieved during the 12 months from April 1910 which raised the percentage of Establishment Charges to 23·2 per cent of the Collections against the sanctioned limit of 10 per cent, the Sub-Divisional Asst. Com^r has recommended that a trial may be given to the temporary establishment for another year & the D. Com^r has agreed with this view. In the circumstances, draft G.O. sanctioning the retention of the establishment till the end of June 1912 and calling for suitable proposals Convicland with the results to be achieved during that period is submitted for approval or other orders

a Municipality on Rs 8 and a peon on Rs 6/- with an allowance of one rupee for "Tadiwas" Costing in all Rs 15/- a month. This being very costly will have to be reduced The Municipal Council considers that it will not be possible for a single Manegar to do the Retail Collection work and therefore to have a Manegar on Rs 7 and a peon on Rs 5 thereby effecting a saving of Rs 2 a month The average income of the Municipality from Retail is however Calculated the Rs 900 and the Collection Charges Cannot therefore exceed Rs 90 a year The President of the Municipality therefore proposes to entertain a Manegar on Rs 6/- with the usual Tadiwas allowance and has issued orders to the Municipality for doing so The Dy Com^r requests sanction to the arrangement.

Adverting to Government Proceedings No 9841-2 dated 61-0-24 dated 27 5 11 calling for the proposals of the Mandya Municipal Council for reducing the Octroi Establishment of the Mandya Municipality, I have the honor to submit herewith the entire correspondence ending with French Rocks Sub Divisional Officer's Yadi No 18/235 dated 17 7 1911. The Municipal Council of Mandya has resolved that the cost of the present establishment maybe reduced by Rs 2/- per mensem by reducing the pay of the Mandapar and peon to Rs 7/ and 5/- respectively and that if this is not permissable to keep the marginally noted establishment tentatively for one year

the

The President of the Mandya Municipal Council
informs that the average income of the
Municipality comes to Rs 900/, that an
establishment costing Rs 90/- can only be
kept as per standing orders, that therefore

that he has issued orders accordingly to

may kindly be obtained for the proposals
of the President of the Municipal Council
